“The Harris County Criminal Justice Coordinating Council’s vision is to work as partners - both within the system and with other stakeholders - to protect people and reduce recidivism through a coordinated system that is just, fair, and equal.”

“The mission of the Harris County Criminal Justice Coordinating Council is to provide coordinated leadership to address emerging and existing criminal justice system issues by identifying areas for improvement and establishing cohesive system policies that are research-based, technologically-advanced, efficient, effective, and work to break the cycle of crime and improve access to justice.”
